

THE AMAZING ARMY

Kid's Nutrition Show

for 4 to 7 year olds

NEW!

to
Southeast QLD

Schools from
only
\$5.50 head!

Sneaky Sweetie™

Captain Immune & his Amazing
Army™

Major Energy™

Bad Bugs™

Missy Lulu™ is a Body Scientist who uncovers an amazing discovery whilst investigating inside a human body: a battle of good against evil where Captain Immune and his Amazing Army™ (the Immune System) combat the Bad Bugs™ (germs and sickness).

Of course a sinister spy is sent out from the Bad Bugs™ camp; her name is Sneaky Sweetie™. She tempts us with sweets and treats (junk foods), which make the Amazing Army™ weak and tired (so invading Bad Bugs™ can make our bodies sick)!

However, hero, Major Energy™ delivers the winning weapon for the Amazing Army™: the superpower of colourful fruit and vegetables!

Children dress up as the characters, sing their anthems and feast on fruit and veggies! Importantly, they take home a 5-Day Goal Chart to develop healthy eating habits, and, when completed, receive a Major Energy Award!

Great Value...

Children receive
a 5-Day Goal Chart to reinforce the Show's message and form healthy eating habits with the whole family!

Parents receive
a letter about the Show's message, plus how to help their child complete the Goal Chart.

Children receive
a Major Energy Award once they've completed their Goal Chart!

The **SUPERFRUIT**

Juice Book

Drink your way to Good Health!

Stay well, live longer
